

**Strojirenský zkušební ústav, s.p.**  
(Engineering Test Institute, Public Enterprise)

**TI – Technical Inspection, Accredited Inspection Body 4008**

UNIS Power, s.r.o.  
Sochorova 3232/34, Žabovřesky  
Czech Republic

## **INSPECTION CERTIFICATE**

Reg. No.: **I-63-00048/21/SČ/TZ**

issued on the Company's request and based on Inspection Report No. 63-12002 of January 25, 2021 on results of a verification of the Company's competence to carry out the specified activities, conducted in the period from 11 + January 15, 2021, evaluated according to Art. 2.4 ČSN EN ISO/IEC 17000 and IP No. 07 and declaring that in performing the specified activities on pressure equipment the manufacturer applies adequate technical and organizational requirements assuring its competence for:

Activities: **Competence of a pressure equipment manufacturer**  
for the products pursuant to Directive 2014/68/EU of the European Parliament  
and of the Council (transposed into Government Regulation 219/2016 Coll.)

Scope: **Design, manufacture, assembly, reconstruction, repair, and testing**  
Vessels: Pursuant to Art. 4(1) (a) of the Directive [Section 3(2) (a) of the Government Regulation]  
Boilers: Pursuant to Art. 4(1) (b) of the Directive [Section 3(2) (b) of the Government Regulation]  
Piping: Pursuant to Art. 4(1) (c) of the Directive [Section 3(2) (c) of the Government Regulation]  
Assemblies: Pursuant to Art. 4(2) (a) and (b) of the Directive [Section 3(3) (a) and (b)  
of the Government Regulation]

Company: **UNIS Power, s.r.o.**  
Address: **Sochorova 3232/34, Žabovřesky, Brno, Czech Republic**  
Postal Code: **616 00** Company ID No.: **24827550**

Person responsible for the specified activity:

**Ing. Michal Enží, MBA**, Managing Director (General Director)  
Date of birth: **25 October 1961**

The conditions of validity of this Inspection Certificate are given in the concluding part of Inspection Report Ref. No. 63-12002 of 15 January 2021.

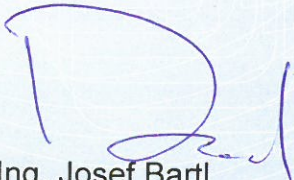

This certificate issued due to a change in the address of the entity replaces certificate No. I-63-00253/20/SČ/TZ dated 25 February 2020.

Based on the aforementioned facts it may be stated that the issued Inspection Certificate Ref. No.: I-63-00048/21/SČ/TZ of 15 January 2021 declares the "Competence of a pressure equipment manufacturer" for the Company owning it, including supply of vessels, boilers, piping and assemblies and the reconstruction thereof, subject to a maximum allowable pressure (PS) exceeding 0.5 bar without limiting their output, pressure, complexity or specific designation.

This Inspection Certificate is not transferable!

In Brno, date: 15 January 2021

  
Ing. Josef Bartl  
Technical Manager
